1 MARCH
LATE BREAKING
ABSTRACTS
ARE STILL WELCOME

The Young Scientist Satellite Conference of the PSWC 2017 is an exciting occasion for future scientists to meet, discuss and present their science in many forms such as oral sessions, poster sessions and workshops.

This will also be an opportunity to gain knowledge from the experts attending the Pharmaceutical Sciences World Congress.

The YSC will take place in Uppsala, home to the oldest university in Scandinavia, founded in 1477. This vibrant academic city possesses many historic sites as well as cutting edge research. The city is located a short train ride away from the PSWC in Stockholm.

At the YSC, young scientists will be given the opportunity to present their research in three different tracks:

- **Fundamental & translational science and targeting sciences**
- **Drug delivery, formulation and manufacturing sciences**
- **Regulatory sciences and science-based practice**

ATTEND THE YSC AND PSWC 2017 TO:

- Be at the only truly global pharmaceutical sciences congress in the world
- Build your international network and meet key opinion leaders in pharmaceutical sciences
- Learn what will happen in the future from leading experts
- Hear high level speakers share their latest research
- Enjoy the beautiful cities of Uppsala and Stockholm

'Having access to minds from a variety of fields developed my understanding of medicines throughout their life.'

'Through experiencing PSWC I was better informed when selecting a pathway in industry after studies.'

FRIDAY 19

12:00 – 14:00 ARRIVAL AND REGISTRATION
FIKA

14:00 – 16:00 PLENARY OPENING CEREMONY

14:00 – 14:20 WELCOME

–
Carmen Peña / FIP President, Spain

Tatsuro Irimura / FIP Chair Board of Pharmaceutical Sciences, Japan

Dominique Jordan / FIP Chair Board of Pharmaceutical Practice, Switzerland

Eva Åkesson / Vice-Chancellor of Uppsala University, Sweden

Göran Alderborn / Dean at the Faculty of Pharmacy, Uppsala University, Sweden

–
14:40 – 15:20 PLENARY LECTURE

Endogenous roles of drug transporters

Kathy Giacomini / University of California San Francisco, USA

–
15:20 – 16:00 PLENARY LECTURE

Global drug development from a regulatory and market access perspective - hurdles and opportunities

Thomas Lönngren / NDA Group AB, Sweden

18:00 – 21:00 CONFERENCE DINNER

SATURDAY 20

TRACK A

TRACK B

TRACK C

09.00 – 09.45 KEY NOTE

Use of pharmacometrics and data science to combat global health problems

Rada Savic / University of California San Francisco, USA

Drug discovery beyond the rule of 5 – How to design cell permeable ligands for difficult targets

Jan Kihlberg / Uppsala University, Sweden

Provision of innovative medicines for the individual – Need for patient centric engineering in global health

Staffan Folestad / Astra Zeneca R&D, Sweden

10.00 – 10.45 WORKSHOP SESSIONS

WORKSHOP 1 / PART 1

Excellence in science

Elizabeth de Lange / Leiden Academic Centre for Drug Research, the Netherlands

WORKSHOP 2 / PART 1

Grant application

Krister Halldin / Uppsala University, Sweden

WORKSHOP 3 / PART 1

Patenting

Olivia Tolan / UU Innovation, Uppsala University, Sweden

WORKSHOP 4 / PART 1

Communicate science

Stacey May / American Association for Pharmaceutical Scientists, USA

WORKSHOP 5 / PART 1

Pitch your idea

Moa Fransson / UU Innovation, Uppsala University, Sweden

WORKSHOP 6 / PART 1

Regulatory framework

Pieter Stolk / Utrecht University, The Netherlands

WORKSHOP 7 / PART 1

Entrepreneurship

Moa Fransson / UU Innovation, Uppsala University, Sweden

WORKSHOP 8 / PART 1

Pedagogical skills

Don Mager / University of Buffalo, USA

11.15 – 12.00 WORKSHOP SESSIONS

TWO CONGRESSES, TWO PRESENTATIONS

When you register, you will be attending the Young Scientist Satellite Conference in Uppsala and the PSWC 2017 in Stockholm. If your abstract is approved you will present your research at both conferences.

It is still possible to submit late breaking abstracts. If your late breaking abstract is accepted, you will receive notification after 15 February, but we recommend you to register before 1 March if you still want to benefit from the reduced first deadline fee.

Submit through: pswc2017.fip.org/abstracts

PSWC 2017 Future Medicines For One World

PSWC 2017 will provide scientists from all over the world with a place to meet and network with key leaders from the pharmaceutical industry, government agencies, regulatory bodies, academia and public-private partnerships. In the next decade, systems biology research will yield an unprecedented wealth of novel insights in the mechanisms of disease. This will revolutionise medicines research, leading to the introduction of novel therapeutic interventions which modify and potentially cure disease, rather than providing symptom relief.

For more information on the PSWC 2017 please check:
